Copyright Notification

This document serves as notification that intellectual property owned by Medweb is held under the legal auspices of copyright.

The following general copyright statement is to be applied to all Medweb materials:

© Copyright 2012 Nexsys Electronics Inc. DBA Medweb. All Rights Reserved.

Copyright is legal protection of intellectual property, in whatever medium, that is provided for by the laws of the United States to the owners of copyright. Types of works that are covered by copyright law include, but are not limited to: literary, film and multi-media works.

It is understood between the Parties that printed works such as books, journals, articles and training materials are covered by copyright laws. It is further understood between the Parties that the protection extends into software, digital works, and unpublished works and it covers all forms of a work, including its digital transmission, storage and use.

Copyright infringement violates not only U.S. copyright law and subjects infringers to criminal and civil liability; it also violates Medweb's Acceptable Use Policy and Terms and Conditions of Service. Medweb's Acceptable Use Policy specifically states that you must not violate Medweb's or any third party's copyright, trademark, proprietary or other intellectual property rights. For more information about copyright and piracy, please visit the U.S. Copyright Office's website at www.copyright.gov

For information on the Medweb Acceptable Use Policy and Terms and Conditions of Service, please review these publicly available documents at www.medweb.com. These documents provide more detailed explanations of what may and may not be done with Medweb copyrighted materials and collection of information and further indemnifies Medweb from any legal action.

No part of any of the material on this website may be reproduced by any mechanical, photographic, or electronic process, or in the form of a photographic recording, nor may it be stored in a retrieval system, transmitted or otherwise copied for private, public or commercial use, reposted, disclosed, or redistributed, without prior written permission from an authorized representative of Medweb.
